Overview

KL/KH –Book Box – On Friday, you received the directions to creating a book box. Please have your child work on this during the week. The completed book box is due on Monday, September 17. It is important for your child to have a very special place at home to keep all the books that they will be collecting throughout the school year. They will be expected to read these books at home as part of their homework. Thank you!

The children will continue to generate and identify rhyming words. They will be naming letters and use the proper strokes to form these letters.

This week one of the stories we will be reading is Look Out Kindergarten, Here I Come. The children will be using the comprehension strategy Asking Questions. Vocabulary introduced will be: snapped, pack, almost, supplies, photo, practice, lonely, crafts.

As we begin each chapter of math you will receive a Math at Home letter. This letter will let you know what your child is learning, vocabulary, have an activity, books to read, and an on line math resource. I hope you find this helpful.

KL- Please continue to check your child's folder each day and complete all homework assignments. I look forward to seeing you at Open House and I hope you are able to attend this important information session about kindergarten. Please come with questions that you may need me to answer about school and/or kindergarten.

Thank you for all your support at home to ensure your child has a wonderful learning experience. Enjoy!

Go UCONN Football!!

KH- I second Mrs. Lathrop's "thank you" for all your support and encouragement of your child's learning in this all important kindergarten year! You will have received, "Let's Make A Book Box" directions on Friday, 9/7/12. Let me know if you have any questions on that project. Please also remember to send your child with one (1) small snack/day (instead of two or more).

I look forward to meeting all of you who can attend our Open House this coming Tuesday! If you cannot make it, please feel free to e-mail any questions/concerns you may have about your child in school/kindergarten.
