Sales and Disposal of Books, Equipment and Supplies

The superintendent of schools is authorized to dispose of, in the best manner according to his/her judgement, all old and/or worn out, and/or damaged, and/or surplus equipment and supplies under the value of \$500.00. Any monies derived from this disposal will be used to purchase education materials at the discretion of the superintendent. The superintendent will present a yearly report describing the properties disposed of and the use of the funds.
