Dress and Grooming

Montville School students shall be encouraged to dress in a fashion reflecting good taste and a style appropriate for the occasion. The administration shall establish, publish and periodically review guidelines for reasonable dress. The basic premises will be that dress and grooming shall be clean and tidy, shall not be disruptive of the educational process, and shall constitute no potential threat to the safety and health of self and of others. Willful violations shall be cause for disciplinary action.

No restrictions on freedom of dress and adornment will be imposed which reflect discrimination as to civil rights. Neither will restrictions be permitted which enforce religious tenets.
