Course Additions and Deletions

The Board of Education directs the Superintendent to establish a procedure for the adoption of new high school courses annually in November, as appropriate. Similarly, the Board of Education directs the Superintendent to establish a procedure to eliminate high school courses from the catalog annually, in April, as appropriate.

These changes will be reported to the Board of Education through the Educational Evaluation Committee.

Policy Adopted: 9/20/83
Revised: 11/18/91
