

Does Your Family Need Health Insurance?

Connecticut offers low-cost or free coverage!

Dear Parent/Guardian,

Is your child protected by health insurance? If not, your school and the State of Connecticut want to help. Connecticut’s HUSKY Health program, for example, pays for doctor visits (including physical exams), prescriptions, emergency care, vision and dental care, mental healthcare, special healthcare needs and more. It’s for children under age 19 in families under specific income limits. Approximately 360,000 Connecticut children now have their healthcare covered by the HUSKY Health program. **There are two parts to the HUSKY Health program for children:**

- I. **HUSKY A** (or Medicaid) - For children in families with limited income. Parents, relative caregivers and pregnant individuals may also be eligible.
- II. **HUSKY B** (or Children’s Health Insurance Program) - For uninsured children in families with higher incomes. Pregnant individuals who do not qualify for Medicaid due to immigration status may qualify for HUSKY B-Prenatal Care.

You can apply for and enroll in HUSKY A or HUSKY B any time of the year.

Some coverage options require that you enroll during an Open Enrollment Period (usually November 1–January 15) or a Special Enrollment Period (SEP) if you have a Qualifying Life Event (see below for more information).

There are now more no-cost coverage options available, including the new Covered Connecticut Program. The best way to see what you qualify for is to contact Access Health CT today.
