## Elementary Summer Program

Montville Public Schools is excited to offer an elementary summer school program for students currently in grades K through 4 during the month of July.

All sessions are designed to be fun and engaging, while incorporating some math, literacy, technology or art concepts. Go to [www.montvilleschools.org](http://www.montvilleschools.org) to see the elementary summer program offerings – you will find it in the banner at the top of the website.

Some sessions meet four days a week, some meet five days a week. Two exceptions are “Playing with Puppets”, which meets for 2 weeks and The “Silly Summer Singing” session, which meets once a week over the month of July (four times total).

Sessions will be filled in the order they are received via the online registration portal. Students are expected to attend all sessions for which they register.
