Assistant

March 30, 2021

Dear Families and Staff,

This morning at our weekly Department of Public Health meeting, we received some importance guidance regarding current COVID-19 case rates, travel during April vacation, the start of spring sports, and vaccination for students who are 16 and older. Please see the attached update for details.

Have a nice afternoon,

Laurie Pallin

Superintendent, Montville Public Schools

Our Vision

At Montville Public Schools all students will be engaged in purposeful and challenging learning experiences that are responsive to individual differences. As a community we share accountability for student success and social and emotional well-being. Through strong relationships with students, parents and the community, we will promote civic responsibility, development of personal identity, and respect for diversity. By providing an environment where it is safe to take risks, students will learn to take pride in who they are and what they accomplish. The Montville Public Schools will deliver on the promise of high achievement for all students and eliminate opportunity gaps to ensure every graduate is a critical, creative, and collaborative problem-solver ready to enter college and career in a global society.
